Opening Ceremony

8:30 - 8:45AM

Brian McGillen, MD, FHM

President, SHM South Central PA Chapter

Kaleigh Krill, MD and Sheila Nguyen, MD

Conference Chair and Co-Chair SHM South Central PA Chapter

8:45- 9:00 AM

Exhibitor Presentation

SHM Advocacy in a Rapidly Changing World

9:00 - 10:00 AM

Ann Sheehy, MD, MS

Chair, SHM Public Policy Committee
Division Chief of Hospital Medicine at UW-Madison

Josh Lapps, MA

Director of Policy and Practice Management, SHM

Learning Objectives:

- Describe the current landscape of policy for hospital medicine, including updates on the physician fee schedule, COVID-19 policy responses and immigration.
- Demonstrate how SHM is engaged in policy on behalf of the field.
- Explain how hospitalists can be more actively involved with the policy process.

Updates in Hospital Medicine

10:00 - 11:00 AM

Scott Kaatz, DO, MSc, FACP, SFHM

SHM Chapter District 7 Chair

Medical Director for Professional Development and Research, Henry Ford Hospital

Kurt Pfeifer, MD, SFHM

Professor of Medicine, Medical College of Wisconsin

Learning Objectives:

- Highlight key advances in hospital medicine from literature in the past year.
- Identify challenges to application of latest hospital medicine literature to standard patient care.
- Emphasize collaborative, patient-centered approach to practice hospital medicine.

Oral Poster Presenters

11:00 - 12:00 PM

Oral Presentation #1

Dietary Intervention in Celiac Disease is Low Among Gastroenterologists and Primary Care

Presenter: Niranjani Venkateswaran, MD

Oral Presentation #2

High-flow Nasal Cannula Oxygen Use in Children with Bronchiolitis Admitted to the Inpatient Wards and its Impact on the Intensive Care Unit Utilization

Presenter: Danni Liang, MD

Oral Presentation #3

Identification of Actionable Items for Improvement of Resident Wellness and Prevention of Depression Using Wearable Remote Monitoring During the COVID-19 Pandemic

Presenter: Alexander G. Hajduczok, MD

Oral Presentation #4

Discharge Orders Before Noon within the Internal Medicine Residency Service

Presenter: Alexandra Moody, MD

12:00 - 12:30 PM

Break/Exhibitor Presentation/View E-Posters (Click to view now)

Curriculum Changes and Challenges in the COVID Era: How to Develop Remote Learning Experiences for Medical Students

12:30 - 1:30 PM

**Nicholas Duca, MD, Ami DeWaters, MD,
Brian McGillen, MD, Tanuja Devaraj, MD**

Learning Objectives:

- Identify educational competencies that are most important and feasible for clerkship students to develop during a remote clerkship experience.
- Construct remote patient experiences for clerkship students to align educational objectives and goals of the health system.

1:30 - 2:30 PM

CONCURRENT SESSIONS: SEPARATE REGISTRATION REQUIRED

Ward vs. World: Addressing Racism

Course Instructors:

Sybil B. Pentsil, MD, MPH Allison Pressimone, DO

Learning Objectives:

Register Here

- Recognize racism, implicit bias and microaggression.
- Assess the presence of racism in medicine.
- Develop strategies to respond to racism during core aspects of hospitalist function and practice.

Updates in Perioperative Medicine

Course Instructors:

Ryan Munyon, MD Jennifer Cooper, MD

Learning Objectives

Register Here

- Compare methods for determining exercise tolerance.
- Evaluate the support for frailty adjudication in perioperative evaluation.
- Contrast results of studies regarding perioperative co-management.
- Estimate risk of post-operative pneumonia and atrial fibrillation.

2:30 - 3:30 PM

CONCURRENT SESSIONS: SEPARATE REGISTRATION REQUIRED

A Case-Based Approach to Point-of-Care Ultrasound Image Interpretation

Course Instructors:

**Shane Kinard, MD, Woo Moon, DO
Damien Ricklis, MD, Ian Ross, MD**

Learning Objectives:

Register Here

- Describe relative sensitivities and specificities for bedside evaluation of cardiac tamponade.
- Demonstrate how POCUS can be used at the bedside as a complement to traditional physical examination to diagnose acute heart failure.
- Apply diagnostic point-of-care ultrasound to differentiate between causes of acute respiratory failure through a clinical example.
- Understand the sensitivity and specificity of lung ultrasound in the detection of plural effusions compared with physical examination of chest x-ray.
- Apply ultrasound skills to differentiate between simple and complex pleural effusions based on ultrasound characteristics.

2:30 - 3:30 PM

CONCURRENT SESSIONS: SEPARATE REGISTRATION REQUIRED

Resident Autonomy: Teaching Towards Unsupervised Practice

Course Instructors:

Justen Aprile, MD, Joseph Schramm, MD

Learning Objectives:

- Discuss autonomy and its relationship to the ACGME and Entrustable Professional Activities.
- Describe differing learning styles and learner types.
- Understand local practice on fostering autonomous learning.
- Define autonomous learning and learner autonomy.
- Explore and operationalize existing literature on autonomy

Special acknowledgement and thanks to this year's exhibitors/sponsors:

Planning Committee Members

- **Conference Chair:** Kaleigh Krill, MD
- **Conference Co-Chair:** Sheila Nguyen, MD
- **South Central PA Chapter Academic Chairperson:** Hyma V. Polimera, MD
- **Abstract Committee Chairs:** Reshma Golamari, MD and Rama Vunnam, MD
- **Workshop Committee Chair:** Shane Kinard, MD
- **Planning Committee:**
 - Kaleigh Krill, MD
 - Sheila Nguyen, MD
 - Hyma Polimera, MD
 - Reshma Golamari, MD
 - Rama Vunnam, MD
 - Shane Kinard, MD
 - Rohit Jain, MD
 - Lucas Shelly, DO
 - Brian McGillen, MD

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Joint Providership of Society of Hospital Medicine and the SHM South Central PA Chapter. The Society of Hospital Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Hospital Medicine designates this live activity for a maximum of 5 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
