Missouri Chapter

St. Louis Chapter

The Missouri Hospitalist Day is back for a second year, and this year the St. Louis Society of Hospital Medicine is partnering with us! What does this mean for SHM members? It means you can attend the event at the Missouri ACP membership rate, simply use code SHM.

This event is separate from the Missouri ACP Scientific Meeting, but a combined conference price is available (see below).

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ACP designates each live activity for the number of *AMA PRA Category 1 Credit(s)* listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Missouri Hospitalist Day has been accredited for a maximum of *7.5 AMA PRA Category 1 Credit(s)*.

Successful completion of the CME activity (the Missouri Hospitalist Day), which includes participation in the evaluation component, enables the participant to earn up to 7.5 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Registration Fees:

Hospitalist Day - Members: \$195
(SHM members use code SHM at checkout)
Non-Members: \$215
POCUS Session: \$20 additional fee

Join MO ACP for both the Hospitalist Day & Scientific Meeting (Sept. 9-12):

\$500 - Members*
\$550 - Non-members
\$225 - Retired physicians
*SHM members can get the bundle deal using code SHMBundle.

Hotel Accommodations:

We have reserved a block of rooms at the following rate until August 15, 2022. When making your reservation, be sure to reference code MOA. The hotel will not guarantee you a room or the negotiated rate after August 15, 2022. We ask that you please use our room block and code to book, as third-party sites are usually a higher rate.
