# WELCOME

## Dear Colleague,

Join me and your colleagues in internal medicine at the next Annual Fall Scientific Meeting of the Michigan Chapter of the American College of Physicians, being held Thursday, October 24 - Sunday, October 27, 2024, at the Radisson Plaza Hotel at Kalamazoo Center. We are excited to present the meeting virtually, as well.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Michigan Chapter's rich source of knowledge content and networking by attending our premier meeting for internal medicine physicians, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits and MOC points, this conference is about making personal contacts and getting involved in our chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

We also welcome our continued collaboration with the Society of Hospital Medicine Michigan Chapter at this meeting!

To ensure your place at this invaluable program, register now by visiting us online at [www.acpmichigan.org](http://www.acpmichigan.org).

I look forward to seeing you in Kalamazoo!

Sincerely,

**Sarah E. Hartley, MD, MHPE, FACP, FHM**  
*Governor, Michigan Chapter of the American College of Physicians*

## Affinity Groups Survey

In our ongoing commitment to fostering a diverse, equitable, inclusive, and just environment within our organization, the Michigan ACP DEIJ Committee is excited to pilot affinity groups for the upcoming fall meeting and beyond. These groups aim to build community, create brave spaces, foster mentorship, and share resources. We recognize that the list of proposed groups is a starting point and not all-encompassing. Your input is invaluable in helping us identify the most impactful affinity groups to support our diverse community.

*Additional information about the Affinity Groups will be distributed in advance of the meeting. Affinity groups will be chosen based on expressed interest from the registration survey.*
