| Regular SHM Member Rate (after 2/12/2025) | \$450 |
| Early Bird Non-Member Rate (before 2/12/2025) | \$550 |
| Regular Non-Member Rate (after 2/12/2025) | \$650 |
| Early Bird NP/PA SHM Member Rate (before 2/12/2025) | \$200 |
| Regular NP/PA SHM Member Rate (after 2/12/2025) | \$250 |
| Early Bird NP/PA Non-Member Rate (before 2/12/2025) | \$300 |
| Regular NP/PA Non-Member Rate (after 2/12/2025) | \$350 |
| Resident and Student Rate | \$100 |

Cancellation/Refund Policy/Disclaimer:

Notice of registration cancellation for the SHM NH/VT Chapter Winter Conference must be made in writing via email to chapters@hospitalmedicine.org. The email date will determine your eligible refund amount.

- **Prior to January 31, 2025: Full refund less \$50 administrative fee**
- **Between February 1 - March 1, 2025: Full refund less \$100 administrative fee**
- **After March 1, 2025: No refund**

Day One

Friday, March 14

5:00 - 8:00 p.m.

Day Two

Saturday, March 15

6:45 a.m. - 8:15 p.m.

Day Three

Sunday, March 16

6:45 - 10:30 a.m.

Course Description

This three-day conference will feature a number of educational courses on relevant topics in hospital medicine. In addition to educational courses, there will be a number of opportunities to network with colleagues and built-in free time to enjoy skiing and other resort activities. This is a great opportunity for all hospitalists in the Northeast to join together for education, networking, and fun.

Hospital medicine physicians and associate providers are encouraged to join for the opportunity to learn the latest in the management of heart failure, the utilization of home infusions, POCUS, oncological emergencies, and more. The course objective is to help hospitalists provide better care and improve patient outcomes.

CME

The Society of Hospital Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Society of Hospital Medicine designates this in-person activity for a maximum of 7.5 *AMA PRA Category 1 Credit™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

The faculty and planners of these activities have no relevant relationships to disclose. All relevant relationships were mitigated prior to the start of this activity.

Course Schedule

Friday, March 14

5:00 - 8:00 p.m.

5:00 - 7:00 p.m.

Registration & Welcome Reception

7:00 - 7:15 p.m.

Opening Remarks & Introductions

B. Justin Krawitt, MD, MHCDS -
President, SHM NH/VT Chapter

7:15 - 8:00 p.m.

Optimizing Utilization of Home Infusion Therapy (HIT) Services: Challenges hospitals are facing with the changing home infusion market

Melissa Borrows, RN

Objectives:

1. Describe the capabilities of home infusion services
2. Understand the changes in the home infusion market and challenges hospitals are facing
3. Identify opportunities to address acute and chronic home infusion needs in hospital systems

Saturday, March 15

6:45 a.m. - 8:15 p.m.

Day 2

Morning Session

6:45 - 7:30 a.m.

Registration & Breakfast

7:30 - 8:15 a.m.

Updates in the Management of Heart Failure

Ebrahim Barkoudah, MD, MPH, FACP, SFHM

Objectives:

1. Evaluate and implement current guideline-directed medical therapy for heart failure
2. Identify appropriate candidates for advanced heart failure interventions
3. Design effective transition of care protocols incorporating remote monitoring, early follow-up, and patient education strategies
4. Apply risk stratification tools and preventive strategies to optimize outcomes in heart failure patients

Course Schedule

| | |
|---------------------------|--|
| 8:15 - 9:00 a.m. | Striving for Oral Stepdown: Novel Antibiotics and Strategies for Avoiding OPAT Jose Mercado, MD Objectives <ol style="list-style-type: none">1. Apply antimicrobial stewardship principles to optimize the use of novel antibiotics2. Integrate novel antibiotics into clinical practice3. Discuss emerging trends in antibiotic development and resistance |
| 9:00 - 9:15 a.m. | Break |
| 9:15 - 10:00 a.m. | Hospitalists as Physician Advisors B. Justin Krawitt, MD, MHCDS Presentation on the value proposition of hospitalists as physician advisors and the impact on quality, revenue, and reputation. |
| 10:00 - 10:45 a.m. | Keynote Address The Future of Hospital Medicine: Ad Astra Per Aspera Eric E. Howell, MD, MHM, CEO of SHM |
| Day 2 | Evening Session |
| 4:00 - 6:00 p.m. | Evening Reception |
| 6:00 - 6:15 p.m. | Evening Program Introduction B. Justin Krawitt, MD, MHCDS |
| 6:15 - 7:00 p.m. | A Sense of Tumor: Oncologic Emergency is No Joke! Clinical Update for the Hospitalist Naomi Hodde, MD, FHM Jensa C. Morris, MD Objectives: <ol style="list-style-type: none">1. Describe the pathophysiology, workup, and treatment of hypercalcemia of malignancy2. Apply evidence-based guidelines to neutropenic fever in the hospitalized patient3. Select the most appropriate treatment plan for cancer associated thrombosis4. Identify signs and symptoms of malignant spinal cord compression |
| 7:00 - 7:45 p.m. | Medical Ethics: A Historical Review and Practical Applications Bradley Collins, MD, SFHM Objectives: <ol style="list-style-type: none">1. Be aware of the history of medical ethics2. Be able to apply ethical principles to address commonly encountered issues3. Feel confident in terms and definitions of the principles of ethics in medicine4. Identify when, where, and how these principles can be applied to everyday practice |
| 7:45 - 8:15 p.m. | Networking & Adjournment |

Course Schedule

Sunday, March 16

6:45 - 10:30 a.m.

| Day 3 | Morning Session |
|--------------------|--|
| 6:45 - 7:45 a.m. | Breakfast |
| 7:45 - 8:15 a.m. | ICU Syndrome, Downgrades, and Transfers to Hospital Medicine Richard Saunders, MD Objectives: <ol style="list-style-type: none">1. Describe outcomes after critical illness, and the challenges of critical illness survivorship2. Define post-intensive care syndrome3. Identify opportunities for improving care for survivors of critical illness |
| 8:15 - 8:45 a.m. | Project Engage - Readmission Reduction of High Utilizers Fred Amell, MD Objectives: <ol style="list-style-type: none">1. Be aware of how certain standard approaches to pain in American hospitals cause maladaptation to chronic pain/anxiety2. Be able to apply safer pharmacologic interventions for complex prescription opioid dependence and low-risk alcohol withdrawal3. Be able to assess and act on other drivers of readmission in this patient cohort |
| 8:45 - 9:00 a.m. | Break |
| 9:00 - 9:45 a.m. | POCUS - Practical and Easy Bedside Ultrasound for the Hospitalist Vikramaditya Samala Venkata, MD Objectives: <ol style="list-style-type: none">1. Understand via real-life examples the potential benefit of point-of-care ultrasound in day-to-day hospital medicine practice2. Understand basic point-of-care ultrasound cardiac views and how to interpret them |
| 9:45 - 10:15 a.m. | Mibs and Mabs and More - Jeopardy Update for the Hospitalist Ryan Ratts, MD, PhD |
| 10:15 - 10:30 a.m. | Coffee, Networking, and Adjournment |

Empowering Hospitalists.
Transforming patient care.
